So Ordered.

Cathy Seibel, U.S.D.J.

Honorable Madam:

Dated: 11/19/12

Please be advised that I am the attorney for the above-referenced defendant, Steven Negron. Mr. Negron is scheduled to be sentenced on December 7, 2012. I am writing to request that his sentencing be adjourned for a month. I have spoken with AUSA Douglas Bloom, and he consents to this relief.

The primary reason for seeking this adjournment is the personal issues in addressing damage cause by Storm Sandy to my home. My family and I were without power, suffered property damage and lost numerous trees. I have spent a great deal of time since the return of power trying to address the damage, and anticipate that it will take another week, perhaps more, before I will be in a position to return to work full time and catch up on work missed during this period.

The storm also made it difficult to prepare for sentencing, as I have been unable to contact or maintain sufficient contact with Mr. Negron's family members to obtain information and materials for his pre-sentence memorandum. In addition, the Presentence Report was received yesterday, less than the 35 days in advance of sentence as provided by Rule 32.

Accordingly, I request that sentence be adjourned for a month.

Respectfully,

*Scott H. Greenfield*
